## Professional Summary

Results-driven Frontend Developer with 4 years of experience specializing in React.js, JavaScript (ES6+), HTML5, and CSS3. Skilled in designing and developing responsive, user-friendly web interfaces and single-page applications. Experienced in working in Agile environments, collaborating with designers, backend developers, and QA teams to deliver high-performance, maintainable, and scalable solutions. Passionate about creating seamless user experiences and writing clean, reusable code.

## Technical Skills

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Redux, Tailwind CSS, Bootstrap

Backend APIs: Node.js, Express.js, RESTful APIs Express.js, RESTful API's

Database: MongoDB

Version Control: Git, GitHub

Tools: VS Code, Figma, Postman, Jira

## Experience

### FullStack Intern

*Glaciers Technologies*

*June 2025 – Sep 2025*

- Developing responsive and user-friendly web interfaces using React.js, HTML5, CSS3, and JavaScript.
- Collaborating with designers and backend developers to implement UI components and ensure seamless integration.
- Optimizing components for maximum performance across web and mobile devices.
- Participating in Agile development practices including daily stand-ups, sprint planning, and code reviews.
- Worked on integrating REST APIs built with Node.js and Express.js
- Basic exposure to MongoDB for handling data storage and retrieval in project workflows.

### Technical Operations Associate(Frontend Developer Role)

*Infosys*

*Feb 2021 – Oct 2024*

- Designed and developed responsive web applications using React.js, JavaScript, HTML5, and CSS3.
- Built reusable components and implemented state management using Redux and React Hooks.
- Collaborated with UX/UI designers to translate wireframes into functional, pixel-perfect components.
- Integrated REST APIs and implemented client-side routing with React Router.
- Improved application performance by optimizing bundle sizes, lazy loading, and memoization.
- Participated in Agile ceremonies including sprint planning, standups, and retrospectives.
- Ensured cross-browser compatibility and mobile responsiveness across all major platforms.
- Mentored junior developers and conducted peer code reviews to maintain high code quality.

### Achievements

- Led a UI revamp project that increased user engagement by 30%.
- Reduced page load time by 25% through component optimization and lazy loading.
- Improved deployment reliability by integrating front-end builds into CI/CD pipelines using GitHub Actions
- Integrated REST APIs and implemented client-side routing with React Router.
- Improved team efficiency by creating reusable React components and shared utility functions, cutting development time for new modules by 20%.
- Received multiple client appreciations for quick turnaround time and delivering pixel-perfect UI within

deadlines.

- Improved deployment reliability by integrating front-end builds into CI/CD pipelines using GitHub Actions.

#### **Trainee**

*Infosys*

*Oct 2019 – Feb 2020*

- Achieved an overall score of 80% in generic and specialized training programs.
- Gained foundational knowledge in SQL and Python, contributing to versatile skill development.
- Recognized for exceptional performance and promoted to Operations Executive.

## **Projects**

---

#### **Thulir Health Care**

*Thulir Health Care ↗*

- Developed a service based website for Thulir Health Care a Siddha clinic.
- Implemented cart functionality to order their herbal products online
- Ensured seamless communication between frontend and backend with Axios API calls.
- Added form validations and error handling to improve data accuracy and user experience.
- Tools Used:React Js, Node Js ,Express Js,MongoDB

#### **Mini Projects**

- Portfolio Website
- Weather App
- Hike Calculator
- Expense Tracker
- Todo List
- Basic calculator
- BMI calculator

## **Education**

---

#### **Dr.N.G.P Arts Science College**

*Jul 2016 – Apr 2019*

*B.Sc in Computer Science*

- Percentage: 74%

#### **ARC Matric Higher Secondary School**

*Jun 2015 – Mar 2016*

*Higher Secondary*

- Percentage: 80%
